NOTICE FOR STUDENTS

(MENTORS TO STUDENTS)

For Academic Session 2019-20

We wish to provide our students an ideal and stress-free atmosphere. To provide proper guidance and counseling (academic as well as non-academic), we have divided the students of the college in small groups and each group is allotted with a member from the teaching faculty as MENTOR.

NOTE: The list of mentors allotted for the academic session 2019-20 is available on the college website. Students should visit the website and note down the name and department of their mentors.

- Each mentor will meet the allotted group personally and will discuss the future course of action with them.
- However, students can come to staff room and meet their respective mentor, if needed.
- If unable to meet the mentor, students should feel free to talk to any teacher.
- Girl students, in case of any problem, can meet any female member of the teaching faculty.
