

The Ministry of Human Resource and Development, Government of India, through one of its flagship programs entitled 'Swatchh Bharat Mission' has invited the University students across India to take-up summer internships. For this, they are required to enroll online ([http://: sbsi.mygov.in](http://sbsi.mygov.in)) latest by 15th May, 2018 and submit a project proposal for the internship. It is proposed that enrolled students will get 2 credits by becoming the part of this endeavor. The completed projects will be subsequently evaluated for awards by the Ministry.
